CG 36500 Cape Cod Bay tour schedule

The restored motor lifeboat CG 36500, which is owned by the Orleans Historical Society, will be available this season for short trips in Cape Cod Bay. Members of the Society can schedule a trip for themselves and members of their family OVER AGE 12, by calling Operations Manager Dick Ryder at 774-722-0921. Up to six people can be comfortably accommodated. The trips are scheduled to leave Rock Harbor 2 hours before high tide, and return at or near high tide. There is no charge, but a donation to offset the fuel cost will be appreciated. Trips usually go to the site of the *James Longstreet* (the Target Ship), the site of the Billingsgate Light (where seals are usually congregating), and thence along the Eastham shore and back to Rock Harbor.
